Mr. Hafiz:

Enclosed find a completed change of address form, PTO/SB/122. Also find a copy of the letter I sent your agency reporting this change of address on March 16, 2001.

Also, I have written your agency previous to this, and even called in to get a filing receipt for my Utility patent. I received the Design filing receipt, but not the receipt for Utility patent. Please send it to me ASAP.

Thank you.

Sincerely,

To Whom It May Concern:

1) Be advised of my change of mailing address as stated above:

NEW: P.O. Box 2227
Alameda, CA 94501-0220

Old: P.O. Box 14695
Berkeley, CA 94712-5695

2) Please send me my filing receipt for my Utility patent. I never received it although I did receive the design patent filing receipt. I wrote the your Office of Initial Patent Examination August 2, 2000, a letter they received on 8-9-00. The next thing I received was a "Notice of Confirmation Number Assignment" on 12-18-00 showing both serial numbers, but still no filing receipt. If the receipt was sent, it was taken from my mail. I need a duplicate copy. asas please.

Both applications have been assigned to examiners per my phoncon with your atty Robert Clark @12-19-00.

Thankyou in advance.
